Application of the California Division of Oil and Gas for primary responsibility for the Class II portion (oil and natural gas wells) of the Underground Injection Control Program under the Safe Drinking Water Act

Mr. Nathan Lau  
Water Management Division  
Environmental Protection Agency  
Region 9 Library, 6th Floor  
215 Fremont Street  
San Francisco, CA 94105

Dear Mr. Lau:

We have reviewed the proposed application for the State of California Division of Oil and Gas to assume primary enforcement responsibility for Class II wells.

We would like to state that we not only have no objections to the State assuming the enforcement responsibility, but that we feel that the State Division of Oil and Gas is fully qualified, professionally capable, and staffed to assume this responsibility.

We appreciate the opportunity to comment on the application.

Sincerely,
